

SkyWater Summit

COVID changed the way we work - what's the new normal? What are you doing to keep your employees? How are you attracting new employees? What are you doing to keep your employees motivated and engaged? Attracting, developing and retaining employees can be one of the most important (and most challenging) tasks required of management, especially post-COVID. Join SkyWater Search Partners for an exciting two-hour panel event to discuss these topics.

Thursday, September 30, 2021

The Panelists

We would like to touch on a broad range of topics during this panel including:

- How is your company managing coming back to work?
- What is your philosophy on the statement “if you aren’t here, you aren’t working”?
- How do you drive performance in this post-COVID world?
- Are you worried about losing your best people if you require employees to be in the office Monday through Friday?

The Location

Minnetonka Community Center, 14600
Minnetonka Blvd., Minnetonka, MN 55345

The Agenda

- Registration starts at 2:30 PM
- Panel from 3-5 PM
- Open bar/social hour from 5-7PM

The Objectives

- Recognize the importance of a company's culture
- Identify the impacts of COVID on workforce expectation
- Identify tools to attract, develop and retain employees

This event will count for 2 CPE credits and is free to attend
